

## UCI SKIN: A Skin Biology Resource Center | Distinguished Speakers Series

All Lectures 11:00am—12:00pm Zoom Meeting or \*Gross Hall, Thorp Conference Center 4000

*\*unless noted otherwise*

	Speaker	Topic	Date
	Ophir Klein, MD, PhD Cedars Sinai, Los Angeles Professor Pediatrics Department	"Renewal, regionalization and repair in oral and gastrointestinal epithelia"	9/22/23
	Tiffany Scharsmidt, MD UCSF Associate Professor Department of Dermatology	"Living at Peace with Our Skin Bacteria: Early Life Lessons"	10/27/23
	William Damsky, MD, PhD Yale School of Medicine Assistant Professor Department of Dermatology and Dermatopathology	"Sarcoidosis and granuloma annulare: from bedside to bench and back again"	1/26/24
<b>7th Annual Skin Symposium</b>	7th Annual Skin Symposium  Bringing together a stellar lineup of distinguished speakers, each at the forefront of their respective fields.	"Theme: Patterns in Skin"  Discovery groundbreaking research and innovation at 7th Annual Skin Symposium. Join us for a day of insights and collaboration.	2/9/24
	Yulia Shwartz, PhD USC Assistant Professor of Stem Cell Biology and Regenerative Medicine Department of Dermatology	"Hair Raising Tale: Nerve – Stem Cell Interactions."	2/23/24
	Maryam Asgari, MD, MPH Dana-Farber / Harvard Cancer Center Associate Professor Department of Dermatology and Population Medicine	Topic: TBD  Research Focus: Specializing in patient-oriented research in dermatology and Mohs micrographic surgery.	4/5/24
	George Sen, PhD UCSD Associate Professor Department of Dermatology	Topic: TBD  Research Focus: Understanding the molecular mechanisms governing stem cell self-renewal, differentiation, and progression to neoplasia	4/24/24
	Crystal Aguh, MD Hopkins Medicine Director Ethnic Skin Program Associate Professor of Dermatology	Topic: TBD  Research Focus: Skin conditions that disproportionately impact minority populations, with particular emphasis on scarring alopecia.	5/3/24
